Sir,

In submitting herewith copy of Comptroller's No. 297 of the 11th December 1909 returning unaudited, the supplemental Travelling allowance bill of Mr. T.K. Arunachala Iyer Assistant Engineer, on special duty at Davanagere, for the month of April 1909, I have the honor to state that Mr. Arunachala Iyer was deputed by me with the concurrence of the Chief Engineer, to investigate the projects for the water supply to Davanagere town, at the close of March last, and he accordingly went to Davanagere in connection therewith on the 1st April 1909. At Davanagere he found it necessary to go to Bangalore as personal consultation with the Executive Engineer, Water supply and Stores Division, was essential before any estimate could be framed and submitted to Government for sanction. It is in respect of these journeys (viz 3rd, 4th, 5th and 6th April 09) that the Comptroller now asks for Government sanction being obtained under article 41 (a).

2. In the sum of Rs. 1000 sanctioned by Government under order No 11240-2/M1 300-08 dated 11th May 09 towards the preliminary investigation of water supply for Davanagere

Town, provision for Rs. 100 has also been made towards the Assistant Engineer's Travelling allowances, and as this sum lapsed at the close of the official year, the charge incurred by him during April 09 for the journey to Bangalore has to be met from the provision made in the current year's budget of the Davanagere Municipality under the head " VIII Public Works"

3. Under the above circumstances, I request that sanction of Government may kindly be obtained for journey made by the Assistant Engineer beyond jurisdiction under article 41 (a) and (b) of the Mysore Service Regulations and the Travelling Allowance Bill sent to the Comptroller for audit.

I have the honor to be,

Sir,

Your most obedient servant.

President of Municipalities.

Chitaldroog District.
